Tevel angel club is a not-for-profit organization which facilitates the introduction of Israeli high-technology entrepreneurs to potential investors in the United States through a web based database and bi-monthly club meetings. In order to enroll in our database as a member and have the opportunity to be invited as a presenter, Tevel requires that this application be completed, signed and submitted with the requested documentation.

## REGISTRATION PROCESS

Tevel will review all applications for qualification and endeavors to provide applicants with a written response within ten (10) days of completed application submission. Simultaneously, Tevel's Screening Committee will review the submitted documentation in order to conclude whether your company qualifies to be invited to present its investment opportunity in the following club meeting. Registration fees will only be processed after registration has been approved.

In order to register to our database companies must:
